Manager, Canara Bank

Greetings,

My name is Abhi Barthakur, and I want to cash this check, even if FUND is not available. I can make arrangement to have this account FUNDED, and operate it under my name as, Naba Kumar Barthakur, my father passed away in 2012. I am his son, and for me he took a loan from your bank, in 1993, to send me to the **United States of Satanic Demonic America**. Your Loan got paid off by about 6+ lakh rupees when you gave us only 1 lakh for 2 years ! Wasn't it a good profit ?

Let aside, if you have any further question of playing the REAL LIFE GAME on this MATRIX, come, play with my check ... deposit the it in to the account, activate it, get funded over the network ! .. and the game begins !

aeiouMMMMMMM looking forward to hearing from you soon.

Yours sincerely,

Abhinaba Barthakur
